To Whom it may concern:

I have known Terry House since May, 1982 through his connections in the glass industry and various civic and trade organizations, such as Rotary, National Exchange Club, Monadnock Task Force for the prevention of child abuse, National Glass Assoc. and the Northern New England Glass Dealers Assoc.

Terry impresses me as a person who is willing to invest his time and energy where ever he's needed. I have found him to be honest and forthright in any connection I have had with him.

Sincerely

Donald Primrose, President
